SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Supplemental to the Information Disclosure Statement filed July 19, 2002, and in compliance with the requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98, applicants are filing herewith a Form PTO-1449 listing three English translations for consideration by the Examiner, and one copy of each of the listed translations.

The English translations are of JP 57062201 A and JP 01143806 A, which are in Japanese, and of an article from the proceedings of a 1997 agricultural conference in Montpellier, France, which is in French.

In the Information Disclosure Statement filed July 19, 2002, it was noted that abstracts of the aforementioned Japanese and French documents were cited in the International Search Report and copies of those abstracts were provided with the Information Disclosure Statement at that time. While the International Search Report

purported to also cite the actual Japanese applications and the French article, in fact the full documents were not provided to applicants with the International Search Report. However, subsequent to the filing of the July 19, 2002 Information Disclosure Statement, applicants obtained copies of the full documents and then obtained English translations thereof.

I, the undersigned, hereby state that no item of information listed on the accompanying Form PTO-1449, i.e. none of the three English translations, was cited in a communication from a foreign patent office in a counterpart foreign application and, to my knowledge after making reasonable inquiry, was known to any individual designated in 37 C.F.R. §1.56(c) more than three months prior to the filing of this Supplemental Information Disclosure Statement. Further, no action on the merits has, to the knowledge of the undersigned, yet been issued in this case. Accordingly, it is believed that no fee is required in order to obtain consideration of this statement.

It is respectfully requested that the Examiner consider this statement and the accompanying papers and documents and return an initialed copy of applicants' Form PTO-1449 to the undersigned.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
